

"Managing Your Construction Company Through The Current Downturn"

The AGC of Colorado and the Colorado Association of Mechanical Plumbers invite you to attend the seminar on Thursday, January 22, 2009 from 8:00-10:30am at the AGC Education Center. The program "Managing Your Construction Company through the Current Downturn", presented by John Armour of CBIZ MHM LLC, will cover:

- Survival strategies to manage people and assets
- Posturing your company to come out of the cycle as a strong competitor
- Ideas to maximize cash flow and reduce debt dependency
- Which economic indicators help with contractor business strategies
- Managing relationships with banks and surety

This seminar is appropriate for owners, CEO's, COO's, CFO's, lenders, and sureties.

John Armour is a Director in the national accounting firm CBIZ MHM LLC. Mr. Armour is the leader of the West Region Construction Industry Group from it's Denver and Boulder locations. He has more than 30 years experience in public accounting, providing a variety of attest, tax and consulting services for small and large contractors. John is the current tax issues chair for the AGC of America's Tax and Fiscal Affairs Committee where he is active in tax policy decisions affecting the construction industry.
